Notes

Definitions of codes preceding a county and/or quad:

* Presumed extirpated

(*) Possibly extirpated

Species may be present in other areas where conditions are favorable. These data should NOT be substituted for pre-project review or for on-site surveys.

Notes

Move to List 1B? Previously on List 4.3; apparently rarer than previously thought. May not be distinct from *D. gypsophilum*; a synonym of this plant in *TJM* 2. Needs further study. Threatened by grazing. Possibly threatened by road widening. See *Brittonia* 8(1):5 (1954) for original description, and *Madroño* 48(2):90-97 (2001) for alternate taxonomic treatment.
